## Permission for Sunscreen

I acknowledge that the student is NOT allergic to sunscreen and agree that it may be applied as follows:

- Medication:** Sunscreen with SPF equal to or greater than 15 (school's choice)
- Dosage:** Apply evenly to areas of exposed skin
- Frequency:** As needed as determined by school staff
- Desired Effect:** Skin protection/sunburn prevention
- Possible Effects:** Skin irritation

If more specific directions are necessary or if a specific sunscreen is required, the medical professional must complete the Medication Order Form. The parent will then be responsible for sending the prescribed sunscreen to school with a pharmacy label.

Parents of day students are encouraged to apply sunscreen on students before coming to school.

Please provide your child with school appropriate hats, cover-up clothing and sunglasses when they are participating in outdoor activities to reduce sun exposure.
