

Driving Directions to LSDVI from the Lafayette Area

Take I-10 East to Baton Rouge. Take exit 155A for LA-30, Nicholson Drive. At the bottom of the exit ramp, merge onto Terrace Avenue, following the sign to go toward LSU (not downtown Baton Rouge!). Take the first left onto Nicholson Drive (at the red light) and then take the first right onto Oklahoma Street. At River Road, take a left and drive three miles; take a left onto Brightside Lane. LSDVI will be on your left about a mile down the road.
